IL TUO BAMBINO CI STA A CUORE

# INSIEME A TE

In Verona there is a service for families with children from 0 to 3 years.

It is important for parents to be sure of the **good growth and health** of their child. This is why **INSIEME A TE** (ALONG WITH YOU) offers you **FREE services** and other activities to accompany you in your child's growth: from the first days of your child's life till the first steps in this world.  
**Because your child is close to our heart.**

## HOME VISITING

### A SERVICE FOR MOTHERS

Home visiting is a home **support service** for new mothers and new parents during first months of their baby's life.

A personalized accompaniment that listens to the needs of the mother and child and stands by them in order to promote a peaceful life of a moment full of great changes, like the birth of a child.

By activating Home Visiting, a qualified educator and a linguistic-cultural mediator of your geographical area will come to your home to **offer you some information and guidance on the services and opportunities of the territory** and accompany you in **discovering your new role** as a mother!
